President's Report

This is the first meeting after Hurricane Ian and things are slowly getting better. Up front the Oak tree on the north side fell after the storm and it and other branches were or are being removed. The tree on the south side is leaning but it was determined to be ok. Alice has been in contact with the people in charge of clean-up and the response is "we'll get to it, when we get to it". Sprinklers that were broken have been fixed though more might need fixing since sod is being put down over sprinklers and before all junction boxes have been installed by certain poles.

Treasurers Report

Lewis is traveling so the treasurer's report will be filed for audit.

Landscape Report

After cleanup and pole work is done we will replace soft landscaping as needed and as funds allow. **We might ask a craftsman to saw a stump into a more appealing carving.**

Christmas Decorations will go up on the first Saturday of December, the 3rd. The start time is 9:30am.

The next meeting will be held January 9, 2023 at 10am at the Englewood Chamber of Commerce.

This meeting was adjourned at 10:34am.
