President's Report

FPL was contacted about the promised street light on the parkway for Gladstone. They said the storm put them behind and it will be done in March.

Bill Callahan informed Alice that the parkway was only lit by one streetlight, all the others were dark. Alice will call FPL and make sure the entrance lights are working as well.

Treasurers Report

Lewis gave us copies of the Operating Account/Budget for 2022 and the Operating Account for 2023. Alice and Lewis looked into changing our bank accounts from Centennial to Wells Fargo and to also acquiring CDs as well.

Motion to move all accounts from Centennial Bank to Wells Fargo Bank was made by Bill Callahan and seconded by John Garrett. No objections

Motion to acquire a Wells Fargo 11 month CD at 4 o/o was made by Bill Callahan and seconded by John Garrett. It also included for Alice and Lewis at their discretion to split the CD amount and acquire 2 CDs spreading them in time as well. No objections.

Landscape Report

Brendan will be taking care of tree trimming by the end of this month. At the east end a new stainless steel pump was installed. Though it was difficult to remove and it took a long time the cost will be close to the estimate of \$5k. It was determined that the stump at the start of the Parkway isn't large enough to carve so it will be ground up instead. Alice asked for volunteers to help remove and bag the hurricane garbage in the shrubbery by the entrance. She'll notify us of day and time. We will also remove non Parkway signs at this time.

New Business

Alice proposed an Englewood Isles Pot-Luck Block Party. Alice and Mary Manning will form a committee and others are asked to find people to assist them.

This meeting was adjourned at 11:08am.
